## Edge Options

Dax is available in several edge materials including urethane, wood and edgeband. Below are just a few of the many user-edge profile options.

WM6 Slim Wire Raceway

Featuring an "invisible hinge", the optional WM6 Slim Wire Raceway firmly secures to the Dax leg with adhesive tape for effortless wire management.

## Key Technical Features

Casters: Two locking and two non-locking heavy-duty commercial casters.

Power: Perfectly pairs with Nacre.
Flipping Mechanism: Top flips easily with left and right release mechanisms. Locks in both open and closed position.

Additional Center Support: Maximizes table rigidity.
Leg Finish: Upper leg is 431 Metallic Silver powdercoat, Lower leg is 479 Polished Aluminum

## Straight-on Nesting

Dax tables nest straight-on, with each nested table adding just 4" to the overall depth. Optional Wire Mesh Modesty panels swing clear when nesting.

## IzzyFlex Flexible Table Connectors

All Dax tables are pre-drilled for optional IzzyFlex Flexible Table Connectors, which come factory installed, or you can add them later as your table configuration needs evolve.
