Optional Race Panel
Wire Management

Panel Base Table

A longtime industry standard, our panel base tables feature dual stretchers for strength and durability. Optional picture frame wood molding, bottom plinth and race panel for wire management offer customization and functionality. *The table pictured above features our WC1D bevel profile drop wood edge in Wenge. The cover image features our WF5 comfort profile wood edge in Michigan Cherry, while the lower right cover image depicts a WF3 rounded reverse knife wood edge in Sedona Cherry.*

Green Works™

All SurfaceWorks® tables are CARB compliant, and available in optional GreenWorks™ materials. Options include FSC® certified wood products, linoleum top surfaces, edges made from ABS, wood, bamboo or urethane, and NAUF (No Added Urea-Formaldehyde) substrate.
