CONFERENCE

Leave behind the boardroom, but not the style. Rapport Accent Meeting Tables feature the same wire management and customizable accent panels as the Rapport Conference Tables, but in a smaller, sleeker package. Rounds, squares and squircles are available from 36" to 54" in both seated and lounge heights. Seated height rectangles, boats and racetracks are available in widths from 30" to 42" and lengths from 60" to 96".

Rapport was designed by Jim Contois.
