X-Base Conference Table

Accentuate a casual atmosphere by pairing lounge-height tables with soft seating. The low-profile of the Rapport's X-Base offers plenty of leg room. Rapport X-Base Conference Table is available in rounds from 54" to 96", and squares and squircles from 48" to 84". Tables can be ordered in seated or lounge heights. Matching-height credenzas complement the Rapport X-Base Conference Table by offering storage and media solutions.

Rapport was designed by Jim Contois.
