**Z U M E™**

T R A I N I N G   T A B L E

## Z u m e™

One of our best-selling tables, the Zume features built-in casters that allow for easy one-person movement. When stationary, the table rests securely on rubber bumpers. Pick up either end, and the table rolls on rubber casters for easy transportation. The Zume table bases are fully welded for superior quality. *The Ultra-Flip™ Zume tables shown below feature PURTech® urethane edges in MT6F Comfort™ profile. The cover table features Metallic Silver legs, MT7F Flex profile PURTech® edges in Folkstone, and a Linoleum surface in Bio Blue.*

### OPTIONS / ACCESSORIES

One-Person Movement

## Green Works™

All SurfaceWorks® tables are CARB compliant, and available in optional GreenWorks™ materials. Options include FSC® certified wood products, linoleum top surfaces, edges made from ABS, wood, bamboo or urethane, and NAUF (No Added Urea-Formaldehyde) substrate.

The "USGBC Member Logo" is a trademark owned by the U.S. Green Building Council and is used by permission.
