DEWEY® LECTERN & BUDDY
CUT SHEET

OVERVIEW

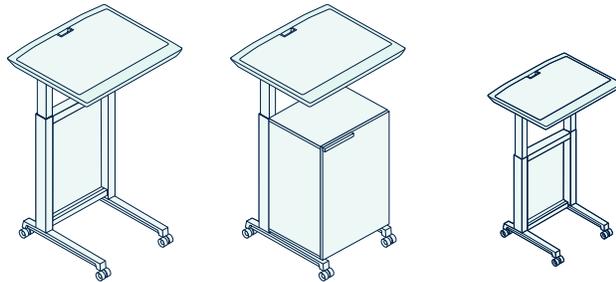

Even the most capable crew needs someone to steer the ship—and that someone needs the right tools to help them perform like a pro. The Dewey Lectern and its smaller companion, Buddy, support today’s classroom, lecture hall and corporate needs, just as easily as an impromptu presentation.

Key Features

- Human-centered top design with sleek urethane edge and integrated grommet
- Pneumatic lift provides continuous height adjustment
- Top and bottom grommets standard with storage cabinet
- Optional technology rack
- Choose from 5 standard frame finishes, 13 standard urethane edge colors, 21 standard laminate colors and 6 standard melamine cabinet colors
- Standard with casters

Three Variations
