NEMO BAR
Standards, Tops, Bases, Edges, Glides, Coat Hooks
SPECIFICATIONS

Standards

Nemo Bar meets or exceeds applicable ANSI/BIFMA durability and safety standards and is SCS Indoor Advantage Gold certified.

Top Construction

Nemo Bar Tops are are 1.2” overall thickness, constructed with high-pressure laminate, particle board core, edged and backed with moisture-resistant coverings to form a completely sealed outside surface.

Base Construction

Nemo Bar Base is constructed with 14 gauge HRPO steel with powdercoat finish.

Top Edge

2mm ABS Edgeband (PVC-free) in knife profile is standard with all Nemo Bar Tops. Undercut is painted black.

Glides

Glides: ¾” leveling for uneven floors. Casters are not available with Nemo Bar; this baby is too big to move around all the time.

Coat Hooks

Nemo Bar comes standard with 1.5” coat hooks; 3 per side on the 96” length, and 4 per side on the 120” and 144” lengths.

<table>

<tr>
<td>4 per side, 8 total</td>
</tr>
<tr>
<td>4 per side, 8 total</td>
</tr>
</tbody>
</table>

Nemo Bar is optionally equipped with Axil® Z power modules on the sides, ends, or both (see chart below). All power modules are interconnected, resulting in one 10' corded infeed. Each power module is configured with 2 power, 1 dual USB, and 1 open data window (other configurations are available, call for a quote). Hardwired power is also available. Power faceplates/bezels match base paint finish selection.

</table>
NEMO BAR
Finish Selection

There are four Nemo Bar components that require finish selections. See izzy+ color card to view color choices for each component. Power module faceplates and coat hooks are the same finish as the base.

---

1. **Model Number**  
   EX: NEM35481443F

2. **Frame Finish**  
   - P06 silver
   - P07 white
   - P09 charcoal
   - P10 black
   - P11 alloy

3. **Upper Panel Finish**  
   *3Form Varia Ecoresin*  
   see [izzy+ color card](#) for color selection

4. **Lower Panel Infill**  
   (select 3 infills as per above charts)
   - **Standard laminate Infill**  
     Izzy+ standard laminate  
     see [izzy+ color card](#) for color selection  
     SurfaceWorks group 1 laminate
   - **Non-Standard laminate Infill**  
     call customer service for a quote  
     extended lead times may apply
   - **LDW Markerboard Infill**  
     (see upcharge columns above)

---

**Fabric Infill**  
(see upcharge columns above)  
grades 1, 2 & 3 or COM  
see [izzy+ color card](#) for fabric selection  
and COM fabric instructions.

**COM** (customer’s own material) requirements:  
vertical grade, 66” standard roll width.  
fabric must be backed.  
see above charts for fabric allowance per configuration.  
if COM fabrics do not meet the noted requirements, the order will be processed as a custom request.
